

South Africa 2016

9th – 23rd August 2016

Want to make a difference in South Africa and in your local community?

This Methodist Church in Ireland team will be **learning** about and **participating** in 'local churches engaging with their communities'. Time will be spent with Pinetown Methodist Church, Hillcrest Methodist Church, the Church Land Programme (Pietermaritzberg) and Central Methodist Mission (Johannesburg). On return, the team will share their learning **across the Irish Connexion** to help us engage 'at home'. The cost is estimated at £1,450/€2,000. If you have relevant skills and the desire to learn and **share** that learning then contact MMS(I) for further information and application form (closes 12th February). mms@irishmethodist.org or +44 28 90452572
