**REV. BARRY & MRS GILLIAN SLOAN AND FAMILY**

Please pray:

1. For the start of a children's ministry at INSPIRE in Chemnitz. The ministry begins working from an old re-vamped circus wagon we now have placed on the playground beside INSPIRE. Pray for Keren (from Brazil), our new full-time worker, that she will be able to find a team of suitable co-workers quickly. Pray for wisdom regarding opening times and a programme. Pray for good relations between staff and children.
2. For Barry as he conducts a mission in Sehmatal from 19th to 21st April. That God's Spirit will touch hearts and minds.
- 3.. For the new Fresh Expressions of Church Course that is being introduced into German Methodism. That many churches will partake and that the seeds of missional thinking will fall on good ground and bear much fruit in the German church.

Thanks for being our partners in mission.  
Love from the Sloans

Thanks for

A great furlough and being able to see so many family and friends.

Encouragement and kindness shown to me, by so many.

Safe and uneventful arrival into Ghana and now to my base.

How the Ghana church has set up my home to make me comfortable

Prayers for

My settling in period and getting to know the place and people.

My adjustment to a new culture and surroundings.

Getting used to the very hot climate and blackouts of electricity which means no AC or fans.

My work permit to be sorted quickly to enable me to stay.

Permission to be able to drive and when I do getting used to driving on a different side than the UK..

Being able to get started into my job and getting to know what my role is as Community and Public Health Nurse Adviser.
